

Distraction during salat

Talking about stuff that many of us think about but we don't necessarily talk about

I guess that's what comedians do

I guess that's why people laugh. Yea~!!

But these video blogs do have points

I like to call them reminders

All joking aside, I'm not trying to be funny, I'm just try to add a little bit of entertainment...

So viewers like you would watch!

Alhamdulillah, it's seem to be working

Because being funny is hard.

Laugh!

Come on~ LAUGH!

You see! It doesn't work!

Sometimes, you have to be serious

I don't like you when you're serious..

But if I'm always joking around, no one will take me seriously..

Fineee... Ok...

Anyway, this whole video blog was just an experiment. It was never meant to be a weekly show

But it's a weekly show, right?

Well... kind of~

There are only ten episodes. And this is the 6th of the 10th. Which means that there are

about 4 more left.

Hehehh.. What?!

Yea. Four more left. After that, I'll be taking a break for a while. I have a lot of stuff to do~~

WHAT?!

I can't do this stuff every week. This thing takes time to do...

Oh, come oonnnnn~~~~~

I'm serious~ this thing takes time to do!

You know what? How 'bout you try it.

What do you mean "I" try it?

All these people are watching... How about you guys put the materials together, and I'll do a show

Are you serious?

YEA

We'll do a show based on what you guys think. The audience got so many different suggestions in the comments. YES, I READ THEM. I'm sure we can come up with something good

You guys put the content together, I'll do the show, I have the camera, I have everything, we can do it. We'll broadcast on youtube, we'll broadcast on Ummah film, and then we'll go there and we can get and hear comments from everyone

You're serious, aren't you?

YEA, I'm serious

Hmm... Ok~ we'll do it!

So if you are all down to put the show together, then put your comment in the comment

section

Enough talk lets get to this week show

Would you please roll the tape!

That's just me talking to myself. There's no one here. There is not even a cameraman.

Ok! Roll it!

One of my favorite parts of Ramadhan is shaytan ain't my aid during that month

And my enemy is missing in action

And for the rest of the year, we have to listen to his whispering

Especially during the solat

How annoying is that!?

SHAYTAN SUCKS!

BiG TiMe~~

When Adam was created, shaytan was the only one that wouldn't bow down

Out of arrogance, he disobeyed Allah

What a LOSER

Out of jealousy, he goes to make you go astray, so that you don't make it to the paradise

You know, shaytan is like the first hater

And that's why he always wants to play mind games with you

Doing whatever he can to take you away from the straight path

Trying to distract you

It's like as soon you say "Allahu Akbar!"

The whispering begins...

He'll try to make you remember things that you cannot remember for your life or ten

seconds ago

But suddenly you remember where your keys are

Phone number that you thought you forgot

The funny things that happened to you throughout the day

All of the stuff you have to do right after solat

Even try to give you doubt either you have wudhu' or not

So you spend the rest of time to think about "do I have wudhu?" or do I not have

"wudhu?", the next thing you know, your solat is over!

As soon as you say "assalamu'alaykum warahmatullah.." "assalamu'alaykum.."

The whisperings stops

<<WAAAAARRRRGGGHHHHHHH!!!>>

You know, in this life, all you see, touch, taste, hear is dunya

So, it's very easy to forget what is important, which is the hereafter. And what is less

important which is this dunya

This dunya is only temporary

But the hereafter is forever

So one of the most important things that we must stick with no matter what..

Is the solat

The five daily prayers

It is a reminder for all of us

And we get reminded five times a day

On what is important, and what is not

So during the solat, we struggle with shaytan

But sometimes, the person praying next to us...

Can also distract us as well

So here are the tips

This is the tips section

You know what I'm saying~~???

<<Giggle>> This is going to be funny, ha?

Aa... I don't know? We'll see

Here're some random distractions that may happen to you during solat

Children running around while you're trying to pray <<Child giggles>>

Children climbing your back during the solat <<Child giggles>>

Wait a second, is this kid for real?

<<Child chuckle>>

How old is this little girl?

Two? TWO?

<<Child chuckle>>

She does like go to some point, right?

The person praying next to you is playing keep-away with his toes

Foot to foot. Shoulder to shoulder. What's so hard, bro?

Why does some brother play keep away with their toes? I don't understand.

After a while, it looks like his doing the split

Is there something wrong with this picture? Or is it just me?

Praying next to a loud whisperer

<<LOUD "whisper">>[iyya kana' budu wa iyya kanas ta'in]

<<LOUD “whisper”>>[eh dinassiratul mustaqim]

During solatul dhuhur and ‘asr, you are supposed to pray silently

But some people, they don't pray that silently

Have you ever prayed to that loud whisperer?

YES, LOUD WHISPERER

<<LOUD “whisper”>> [is you whispering out loud, you're not whispering anymore!]

<<LOUD “whisper”>>[siratallazi na an'am ta'alaihim]

<<LOUD “whisper”>>[ghairil ma'dhu bi 'alaihim wa la dhaaaaaaaleennnn...]

<<LOUD “whisper”>>[AAAAA...MEEEEENNNN...]

Smelling bad breath

Here's a tip, if you like eating onion and garlic sandwiches, most likely you gonna have

bad breath

You may be not able to smell it, but the guy next to you, DOES

And that goes to the chain smoker too

By the way, I love the smell of attar, I use it on myself. But some brothers, they use a lot of attar

I mean A LOT

This is normal attar

This is a lot of attar

You know what I'm sayin'~~~???

And sometimes, when you have too much attar on, it can be very distracting to the person

praying next to you

Praying next to someone who is constantly moving

Have you ever prayed next to someone who always moving?

I mean, constantly moving during their solat?

That can be very distracting too

<<MEGA Cough>>

Gain knock down during a head-to-butt collision

Have you ever been inside of this small Masjid and there are a lot of people there.

Sometimes the lines get really close together

And if you are not careful, there can be a collision

I call the head-to-butt collision

Allahu akbar

This is Ali reminding you in case you forgot

This is Ali reminding you in case you forgot

And you ask people, trick or threat

What is this trick and what is threat, I don't know

And everybody asking question what is trick or threat, I DON'T

KNOW!

Do you know what trick or threat is?

All they do is say trick and threat, and sometimes instead of giving

you answer, they put candy in your bag!
